

**Hamilton Harbour Research and Monitoring Workshop  
2011 Field Season**

**Workshop Date: March 21, 2012**

Each year the Hamilton Harbour Technical Team hosts a workshop for those involved in Harbour research and monitoring. The research presented at this workshop is, in most cases, preliminary in nature and the workshop is intended as a forum for researchers to exchange information and ideas. The topics presented are included in the following list along with the presenter's name(s) and email address(es).

Gull Fecal Markers at Beaches	Tom Edge Tom.Edge@ec.gc.ca
