

Hamilton Harbour Watershed Monitoring and Research Workshop March 24, 2009

2008 Field Season

Each year local Conservation Authorities host a workshop for those involved in Hamilton Harbour watershed monitoring and research. Approximately 56 researchers and observers attended the workshop. The research presented at this workshop is, in most cases, preliminary in nature and the workshop is intended as a forum for monitors and researchers to exchange information and ideas. The topics presented are included in the following list along with the presenters name and email address.

Urban Deer Management – Winter 2009 Ancaster Deer Survey	Anne Yagi anne.yagi@mnr.gov.on.ca
HCA Deer Exclosure Monitoring Program	Shari Faulkenham sfaulken@conservationhamilton.ca
